How to use this Daily Reading Plan

2015

Read through the entire Bible — Each day read the Scripture selections from both columns. You can read them both at one sitting or do one in the morning and one in the evening.

Read through the Old Testament — Daily read the Scripture selections in the left-hand column. This will guide you through the entire Old Testament in one year.

Read through the New Testament — Each day read the Scriptures listed in the right-hand column. This will guide you through the entire New Testament and Psalms in one year's time.

“If you abide in my word, you are truly my disciples, and you will know the truth, and the truth will set you free.” (John 8:31-32)
